Team #16: BAD-T

Step one:

1. Actors:

Teacher: Someone who creates classes, and provides content to the Education club portal

Student: Someone who has access to the content of the Education club portal

Administrator: Someone who controls the workflow of the system.

2. Use cases:

Teacher:

- Register/login;
- Create class;
- Create the content of the page of his/her class, and upload it on the web application page;
- Write posts

Student:

- Register/login;
- Join a class, in order to access the content;
- Comment posts;

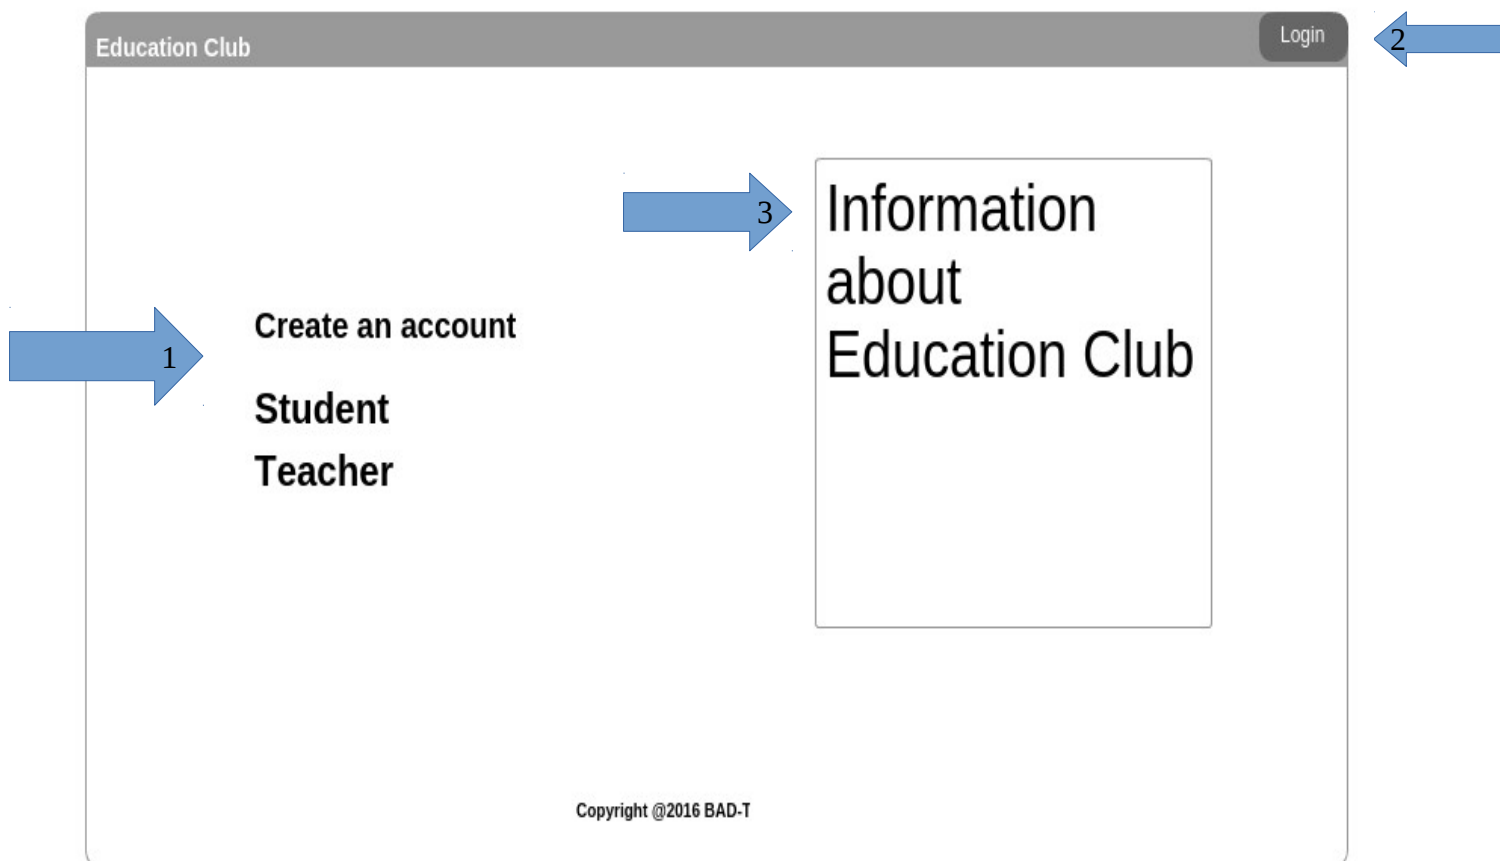

Administrator:

- Manage staff
- Manage users

## Step two: Develop Screenshots

### Screen 1.

Anar Abetayeva

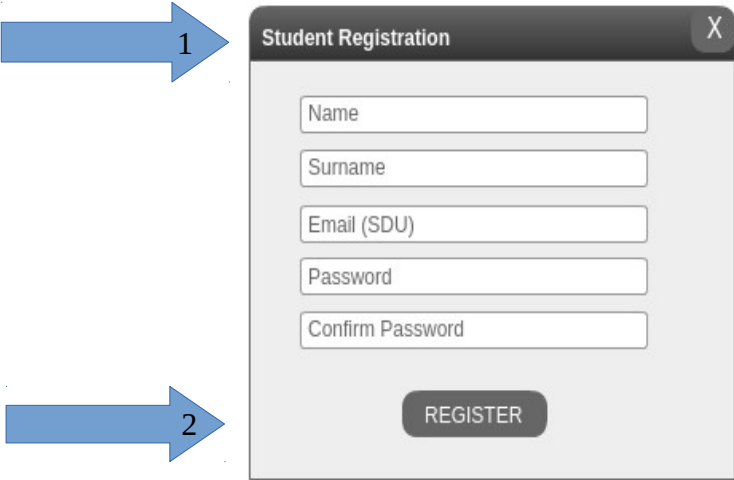

This is the main page of the application:

1. Create an account (register as student or teacher);
2. Login if you already have an account. According to the type of an actor (teacher or student) system will generate different types of content and possibilities;
3. General information about club/News/Announcements.

### Registration of the student

1. If user will select Create Account → Student, this box will appear
2. Register button clicked (assuming all of the fields filled correctly), email will be sent to confirm registration.

## Screen 3

### Tair Tlektessov

Education Club

The image shows a 'Teacher Registration' dialog box with a dark header and a light gray body. It contains five text input fields: 'Name', 'Surname', 'Email (SDU)', 'Password', and 'Confirm Password'. Below these fields is a dark 'REGISTER' button. A blue arrow labeled '1' points to the top of the dialog box, and another blue arrow labeled '2' points to the 'REGISTER' button. The dialog box has a close button 'X' in the top right corner.

## Screen 8 Bagdad Khabibulla

The screenshot shows the 'Teacher' interface for 'Education Club'. At the top, the user 'Milana Baisalbayaeva' is logged in, with a 'Logout' button. The interface is divided into three main sections: 'Subjects', 'Feed', and 'Schedule'.

- Subjects (Annotation 1):** A sidebar on the left containing a list of subjects: 'Java', 'Python', and 'Algorithms'. Below the list are two buttons: 'Add Subject' (with a dropdown arrow, Annotation 2) and 'Create new' (Annotation 3).
- Feed (Annotation 4):** A central area displaying updates. The first update states 'New Student Vasya Pupkin joined Java Class' and 'Posted on Thursday'. The second update states 'New material was added to the Python class folder' and 'Anar Abetayeva posted on Tuesday', accompanied by a Python file icon.
- Schedule (Annotation 5):** A table on the right showing a weekly schedule. The table has columns for days (Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday) and rows for subjects. The schedule is color-coded by day (e.g., yellow for Monday, blue for Tuesday).

Annotations 6 and 7 point to the top right area, specifically the user name 'Milana Baisalbayaeva' and the 'Logout' button.
